Council withholds MOE sewer funds

In an effort to force the Government of Ontario to renegotiate the municipality's financial liability for the construction and operation of the Minden sewage treatment system, Anson, Hindon and Minden council has decided to withhold what are seen as excessive charges.

A resolution, passed as the February 25 meeting of council, asserts the municipality is being unfairly burdened by excess costs for sewage services; costs which are described as the responsibility of the province. The provincial government is blamed for the large cost overruns of the construction of the system, the improper design of the system and the failure to exercise reasonable care in carrying out the terms of the agreement with the municipality.

Council resolved to deny liability for any share of the construction costs beyond the total approved by the municipality and the Ontario Municipal Board (OMB) and to withhold the total of the excess costs and interest payments.

In 1974, the OMB approved the construction of the system based on the Ministry of Environment's estimate of \$1,972,131. In 1976 the municipality was informed the tenders for the construction totalled \$2,216,899 but by the time

the project was completed in 1977, these capital costs had increased to nearly \$4,200,000.

The resolution passed on February 25 also denies liability for "Any operating costs for sewage services beyond the cost specified in its agreement with the Crown plus any reasonable increase based on inflation," and resolves to withhold those excess payments.

The municipality initially agreed to a rate of \$1.04 per 1000 gallons of treated effluent. This 1978 agreement meant an average cost per resident user of \$132 per year. Three years later council accepted a change in the rates that would increase the user fee to \$2.21 per 1000 gallons by 1983. In December 1982, council turned down a proposal by the ministry to set a rate of \$3.24 per 1000 gallons for 1983.

Twelve months later, the minister notified council the rate would increase to \$3.58 per 1000 gallons the following year and also told the municipality that the billing method would no longer be based on the number of gallons treated but would instead be a fixed amount of \$131,999 for 1984.

The actual bill to the municipality in 1984 was \$145,000. Of this amount

As a Godfrey defenceman wards off Minden Monarch centre Bernie Upton, goalie Dave Knox blocks a shot from the point during an Ontario semi-final Juvenile playoff game Sunday in Minden. The Monarchs went on to narrowly defeat the visitors 3-2 to take a three point lead in the series.

Free arena use under study

A request from Minden Agricultural Society that council waive the arena rental fee during two events this summer, resulted in a proposal by Deputy Reeve Bern Berry that council review their policy on awarding grants to community organizations.

Past councils have allowed free use of the community centre and arena to various groups when the event was considered to be a community celebration. The

rental fee is paid to the Parks and Recreation Department out of general funds and as such, amounts to a grant to the organization.

The request was made on behalf of the agricultural society by president Susan Stephens and first vice president Zetta Little. The president told council the request for financial assistance was being made because the society finds itself short of funds as the result of losses experienced at the 1985 Haliburton County Fair sponsored by the Society.

Stephens said that because of rain on the final day of the fair, and a last minute cancellation by the owners of the midway, attendance was down resulting in a loss of \$2,000 in revenue. The society has a firm commitment from the manager of another amusement company for this year's fair and also has plans to expand the activities and exhibits, thus

guaranteeing increased attendance but does require some assistance from the municipality.

She reminded council the society turned over a \$25,000 grant to the municipality for 11 years free rent; an agreement

which has just expired.

The requisition prompted Deputy Reeve Bern Berry to comment, "I am a little alarmed at the grants being given out to all these organizations," and suggested council re-examine the policy of granting free rent. He emphasised he was not

attempting to single out the agricultural society, but argued the policy was in need of review. If council sees fit to let the policy stand, he would be satisfied, but the issue needs to be discussed, he commented.

Arrest unlikely in cottage break-in

While police feel they know the identity of a culprit who caused damage to a cottage on Twelve Mile Lake, it is unlikely any charges will be laid.

According to the authorities at the Minden detachment, the entry was reported Saturday morning. A large picture window, some five feet off the ground, had been smashed, as well as other damage inside the building. A number of other windows were broken, but nothing appears to have been taken.

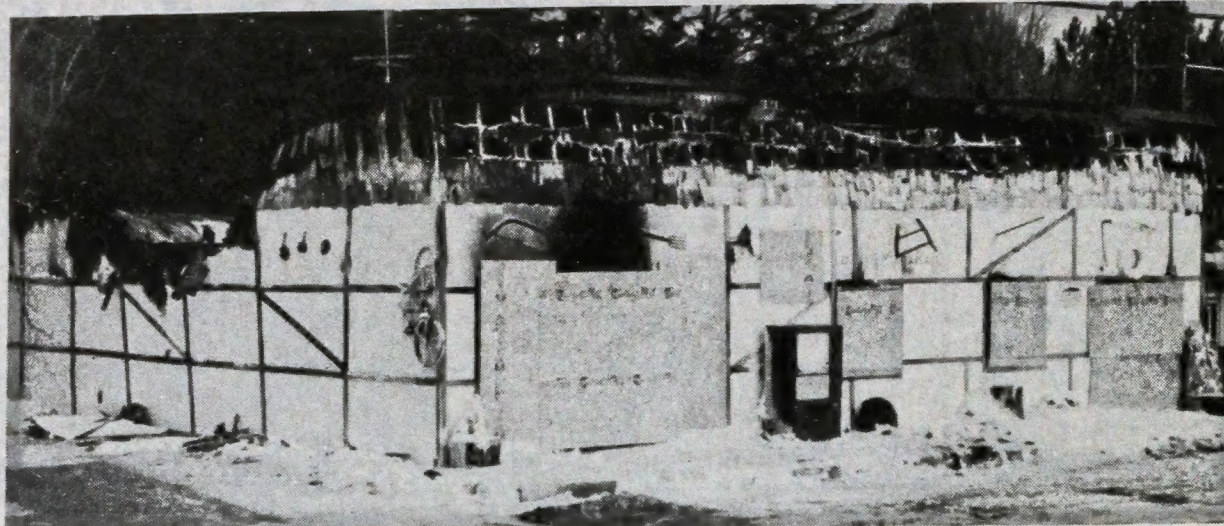

Investigating officer Boyd Jarvis believes that entry was gained through the front window, with the intruder exiting through the same opening after causing the other damage.

The police have identified the culprit as a white-tail deer. Jarvis noted that tracks outside the home indicated the animal was likely being chased by dogs, when it sought refuge inside the structure not realizing that a pane of glass separated it from the interior. Once inside, the animal likely panicked, breaking other windows in its efforts to get back outside.

The police do not expect to make any arrests.

Snowmobilers taking part in the annual Snow Shuffle prepare to set off on a 70 km trip from Pine Lake on Saturday. Over 50 drivers and their passengers enjoyed the 4 hour excursion that has become a tradition in West Guilford for the past 10 years. Participants include, Gerald Morrison, Ted Duncan, Skye Austen, Jean Thomas and Ben Thomas.

This shell is all that remains of the 40 year old building after fire swept through The Junk Shop and Serendipity in Kinmount last Tuesday night.

Fire guts Kinmount building

A major fire that destroyed a business on the main street of Kinmount on Tuesday, February 25, resulted in an estimated \$50,000 in damage.

The forty year old, single storey structure housed the retail outlet known as The Junk Shop and Serendipity and the living quarters of the

owners, Martin and Kim Lund.

Captain Jim Simpson of the Kinmount Volunteer Fire Department said it is believed the fire originated in the building's electrical system. The owners were first alerted to the blaze around 7:30 p.m. when they noticed smoke pouring out

of the electrical panel in the living room. The fire department arrived a short time later and by then the ceiling was engulfed in flames.

Because of concerns that the fire could spread to an adjacent bank and laundromat, the Burnt River fire department was called in for assistance. As the fire spread throughout the building, fire brigades from Minden, Baddow, Galway Township and Somerville Township were brought in to assist the Kinmount and Burnt River

volunteers.

According to the captain of the Kinmount fire department, nearly 70 firemen fought the blaze until the main fire was extinguished about 1:30 Wednesday morning.

After the brigades from the outlying districts had left the scene, Highway 121 was reopened to traffic.

The Kinmount firemen continued to pump water onto the smouldering ruins until 9 a.m.

There was no damage to the adjacent buildings.

February weather

by Phil Graham

	C	F
Average high	-3.3	26
Average low	15.5	4.1
Average for month	-9.4	15
Average for last Feb.	-6.6	20
Highest temperature Feb. 18	1.5	34.7
Lowest temperature Feb. 26	-30	-22
Rainfall	6.2 mm	.2 in.
Snowfall	24 cm	9.4 in.
Total precipitation	30.2 mm	1.1 in.
Days with snow or rain	10	
Days with freezing rain	2	
Days clear or mostly so	9	
Snow on ground Feb. 28	34 cm	13.3 in.
Snow on ground last Feb. 28	40 cm	16 in.
Total snowfall to Feb. 28	226 cm	89 in.

February was a fairly pleasant winter month no extremes such as very cold temperatures or heavy snowstorms. Temperature was about average but snow and rainfall was considerably less than normal.

Trivia - an average of 108 Canadians die each year from exposure to extreme cold. Far more than are killed by lightning, tornadoes, wind, floods or heat.

Conflict concerns council

Expressing concern over the potential for a conflict of interest, the Anson, Hindon and Minden council has undertaken a review of the Planning Advisory Committee chairmanship under community resident Dean Elliott. The committee is responsible for reviewing land severance applications, proposed zoning changes and other matters related to development in the municipality.

The possibility of a conflict of interest was raised by Councillor Verne Graham at the regular meeting of council on Tuesday, February 25.

After council had passed a

resolution accepting the minutes of the committee, Graham said, "I have difficulty with the chairman of the planning advisory committee being involved in real estate." Since Elliott is a member of the real estate community there is always the possibility of a conflict, Graham commented.

Elliott is a sales representative at the office of Gary F. Vasey Real Estate.

Deputy-Reeve Bern Berry came to the support of Elliott, arguing he had served on the committee for a number of years with intelligence, integrity and consideration.

Reeve Sinc Nesbitt agreed with Graham's comments and suggested the chairman

be asked to retire. He said he would be willing to meet with the chairman to express council's concerns.

Arena rental

(from page 1)

concurred with the deputy reeve's remarks, but asserted any changes that are made should not be implemented until January 1, 1987 and that all community organizations should be notified ahead of time.

Councillor Bob Sisson backed Miller's stand, pointing out several groups have already received grants this year. Councillor Verne Graham declared his support for the society and said he would be almost willing to grant them free rent in perpetuity. Noting the county fair has been a tradition for 121 years, Graham commented, "The society has been shoved

around a good bit of those 121 years." The past agreement with the society had been very beneficial to the municipality he said, noting the society turned over a \$25,000 grant but has only received \$500 in free rent per year over the past ten years.

He suggested any review of the policy regarding grants would probably take place as council prepares the upcoming budget.

Council passed a resolution agreeing to

absorb the costs of the arena rental for the beef-barbeque on June 14 and the fair dance on August 16. Deputy reeve Bern Berry registered a nay vote on the resolution.

Sewers

(from page 1)

interest charges totalled \$23,000.

The overall cost represented an increase of 155% over the previous year and resulted in residential user fee increases of 100% and commercial rate increase of as much as 65%.

The resolution concludes by noting that any monies withheld will be kept on deposit in a separate interest bearing account.

Council's action follows the recommendation of Claude Thompson of the legal firm Campbell, Godfrey and Lewtas. The law firm was retained by the past council after unsuccessful attempts were made to renegotiate the payment schedule with the ministry.

The recommendations followed an investigation by the legal firm and the consulting firm of Woods Gordon that included a in-depth analysis of the history of the system, including the deficit financing and the reason for the initial capital cost overruns.

The municipality was not made aware of the deficit financing until 1983, five years after the payments began.

To date the ministry has not responded to inquiries regarding the major increase in construction costs.

A secret season

Those who have fled the Highlands for sunny climes and shrunken dollars will be missing one of the most pleasant times of the year in the next few weeks. We refer to that most pleasant of unnamed seasons which spans the gap between the harshness of winter and the sloppiness of spring.

During the next few weeks, the chill winds of winter yield to the warming rays of the sun, making any excursion out of doors a most invigorating experience. What better time than now to spend a leisurely afternoon absorbing the heat of the sun while jigging a line on a frozen lake. Or, for the more active, now is the time to take to the trails on skis, snowmobiles or foot, to enjoy the beauties of our winter with its harsh edges bevelled smooth by March breezes.

Those of us who have been left behind by our southbound friends may not have a nut-brown tan to show for our efforts, but we will have discovered another beautiful facet of our country and with that, perhaps discovered a little more of ourselves.

Enjoy.

Speak out

In addition to providing information about the community we serve, an important duty of this newspaper is to comment on issues of the day. We invite our readers to speak out as well, on matters they feel need airing.

Letters to the editor attract high readership, offer differing points of view on issues of importance and offer the opportunity for a free exchange of ideas, a vital part of a democratic society. This newspaper will always respect the right of citizens to be heard, within limits dedicated by legal restrictions and good taste. We ask that writers be willing to allow their names to appear with their letters.

Extra billing legislation

- by John Eakins, MPP -

The bill to ban extra billing in Ontario has been referred to the Standing Committee on Social Development. Health Minister Murray Elston told members of the legislature "In Ontario, we have brought in legislation which will put us in place to join our colleagues in Quebec, Nova Scotia, Saskatchewan, Manitoba, British Columbia, the Yukon and the Northwest Territories."

The Health Care Accessibility Act introduced last year, deals with extra billing for physicians' services, dentistry services performed in hospitals and all insured optometry services in Ontario. Under the legislation, which will be examined in committee, physicians may continue to opt in or opt out of OHIP. Under the proposal, those who opt out and bill their patients directly, will not be permitted to charge more than OHIP rates. Their patients will, in turn, be reimbursed by OHIP. Those who opt in will bill the plan directly, as is now the normal practice for most Ontario physicians. As well, Ontario is losing \$4.4 million a month in a federal holdback of provincial transfer payments. To date,

the province is owed \$84 million.

The new legislation is designed to provide medical care without reflection on financial ability. Co-operation from those who really make the system work: our health care professionals, is essential if medical assistance is to continue to improve.

We will continue to come up with ideas developed by the health care professionals in this province and in

Victoria-Haliburton, so we can make our system the best in the world.

I have met with several doctors from Victoria-Haliburton and I appreciate the contributions they have made, and continue to make, in providing health care to those in need in our communities. I believe through this process of consultation we will achieve the mutually shared goal of maintaining quality health care in Victoria-Haliburton.

letters letters

Editor:

The H.A.V.E. Committee, along with the CIDA's matching, has funded the drilling of 20 wells in 17 villages. Those who wish to see documents and photos of the completed wells, please contact me or any other member of the Committee. From our experience a 120 foot bore well (complete with a hand pump) in India costs about \$1000.

On Saturday, May 31, H.A.V.E.'s third annual Walk for Water will take place in Haliburton County. A goal for a walker and

his/her family could be to raise \$500. CIDA will match this amount with another \$500. This means that each "walking" family could provide a drinking well for a village of about 300 persons or possibly 100 families.

With 200 walking families we would be enabling approximately 60,000 of the world's poorest people to get pure drinking water for the first time in their lives. Sounds remarkable, especially since each of us together in the WALK can make it possible.

Gerry Feltham,
H.A.V.E.'s Projects Officer

outdoors

Do naturalists have an image problem? Apparently we do in some quarters, since the Federation of Ontario Naturalists, for who I produce this column, occasionally has to deal with phone callers who think

naturalists are those who seek their recreation in the buff!

But nudists aside, just who are Ontario's naturalists? To a degree, we are all budding naturalists. Who among us has not marvelled at the colourful brilliance of

a bluejay or an oriole, or paused to admire the subtle hues of autumn leaves? But like most activities, nature study has its hard-core enthusiasts, whose dedication sets the tone for the rest of us.

How can you tell if you qualify as a hard-core naturalist? Easy enough, check your symptoms. Have you ever voluntarily risen at 5 a.m. to catch the dawn chorus of birds? Gone

birding at night? Or taken up bird watching in winter? Have you begun listing your life total of birds or plants, sometimes travelling hundreds of miles to add a rarity? If so, you are well on the way to becoming a naturalist nut.

But your symptoms can show in other areas as well. Can you walk past a book sale without picking up just one more field guide or the latest book on wildlife art? Does your library include "The Earthworms of Ontario" just in case you every get around to looking

more closely at wrigglers? (Yes, there really is such a book.)

Do you feel saddened or outraged when yet another tree-lined country road is "improved" to a state of barren efficiency? Or have you ever written your Member of Parliament or your local newspaper to urge the saving of a piece of wild Canada? If so, you're

well past the point of being just a naturalist - you've become part of the hard-core elite.

Of course, not all hockey fans are Howard Cosells and relatively few naturalists pursue their avocation with such vigor. Those who do

add fire and imagination to the sport and contribute to the general image of naturalists as interesting and

provocative people. But you don't have to be a nature nut to like birds and trees and mountains. If you want to learn more about naturalists, contact the Federation of Ontario Naturalists, 355 Lesmill Road, Don Mills, Ontario. M3B 2W8.

Musical offers evening of light fun

by
Michael
Shirley

The Haliburton Highlands Secondary School gymnasium was the setting for a light-hearted musical last week, as the Highlands Little Theatre presented the Broadway play, "Once Upon a Mattress". The colourful production is loosely based on the fable, The Princess and the Pea.

Queen Aggravain (Eleanor Cooper) a domineering, hypochondriac, prone to taking attacks of the vapours, wants her timid son Prince Dauntless (Jim Andrews) to marry someone like herself. Her husband, the mute king Sextimus the Silent (Don Lethbridge) could care less about the affairs of the state or the Queen's search for a new daughter-in-law and is more interested in chasing after the ladies in waiting.

After twelve young hopefuls have failed the test, Sir Harry (Ross Mark) sets out on a journey over the mountains across the badlands to the swamps in search of a princess. He returns with Princess Winnifred the Woebegone (Nada Vaughan). The no-

nonsense princess (Call me Fred) makes her entrance covered in weeds after swimming the moat to the castle. The Prince, who introduces himself as Dauntless the Drab, is so impressed by her aquatic acrobatics, he declares his intention to marry her.

Meanwhile Sir Harry and Lady Larken (Betty Perugino) have a falling out but, of course, they resolve their differences by the play's end.

Realizing the princess is more of a man than her son, the queen, with the help of the wizard (Doug Brohm) devises a sensitivity test. Unbeknownst to Winnifred, the queen places a pea under the twenty mattresses on which the princess will sleep. If Winnifred is kept awake by the pea, she will pass the test.

To ensure that the trial seems fair but isn't, the queen puts Winnifred in a trance, drugs her with opium and brings in a nightingale (Yes, that was John Miller under those feathers) to soothe her to sleep with a lullaby.

Much to the queen's dismay, the princess cannot sleep a wink and so passes the test. We discover the minstrel (Glen Carter), the jester (Curtis Eastmure) and most of the supporting players have thwarted the queen's plans by substituting every prop on the stage for the pea.

As the play comes to an end, Prince Dauntless lives up to his name by standing up to his mother and of course, everyone except the queen lives happily ever after.

Under the direction of Nancy Robichaud, the musical farce is a fast-paced, entertaining evening of fun that appeals to all ages.

By staging much of the action in front of the curtain, scenery changes were made while the story unfolded and the actors were able to move quickly to the next scene.

The musical director and pianist, Melissa Stephens, who flawlessly accompanied the singers, also was responsible for the colourful costumes that perfectly captured the styles of the

middle ages. Black and white photographs fail to do justice to the vibrant hues of the costumes and sets.

The entire cast was at ease and confident in their roles and were warmly received

by the near capacity audience. The company deserves credit for their hard work and the resulting musical that blew a breath of fresh spring air across the Highlands.

Members of the cast of the Highlands Little Theatre production "Once Upon a Mattress" salute Prince Dauntless, Jim Andrews, during one of the musical highlights of the performance Friday evening.

Time for a new prescription

- by Gary Kenney

A few thoughts on a feud over extra billing between doctors and Queen's Parking Lot attendants.

General opinion seems to be that sawbones are now tagged with a group image that is a cross between Harold Ballard and Colonel Ghaddafi. Judging from stores in the Globe, Star and other Trawna media, I'd say responsibility should be placed at the feet of a few physicians with less awareness for public reaction than persons who earlier promoted Edsels and Ernst Zundel.

All it takes is one medic to shriek into a microphone about his/her right to free enterprise to charge what the customer can afford, and all are branded as country club golfers who work at clinics between games.

Dwell too long on creeping socialism and pretty soon every practitioner is a McCarthyite warning of commie-pinkoes on the verge of running the whole country, let alone just Manitoba.

Not enough argument is being made by doctors about the way Guv has narrowly focused on details of their pay

cheques while side-stepping problems of bed shortages, rundown and obsolete equipment, inefficient Health Ministry procedures, etc.

Mr. Peterson and his Minister of Health ride horses that gleam whiter with every lopsided news release. It's becoming such a cut and dried issue that even Herb, the Burger King nerd, can figure out the ending. Goodbye extra billing. Pass the onion rings please.

Too bad too. Now I'm not tickled by the thought of a hands off, cash on the line health care system like that in the U.S.A. Down there, for instance, the State of Utah processes complaints against one in every twenty doctors, and experts estimate 10,000 American M.D.'s aren't fit to take a budgie's temperature, let alone practice on the general public.

Equally, I don't look forward to Big Brother dispensing the Hippocratic Oath with all the caring instincts of a unionized Air Canada baggage handler.

Somewhere between those extremes there's bound to be an answer. Ontario's doctors and nurses are a world class act and Mr. Peterson should take the gun from

physicians' heads. He should hold back this meagre legislation and negotiate improvements to the whole system openly and in good faith. Clinging to the current plan may keep his NDP bride blushing with joy, but only serves to underline how impaired a parliamentary process becomes when two parties sign deals under the table.

Notes and Quotes: While we're at it is there anything that can be done about the intimidating mixture of iodine and floor wax that wafts down all hospital halls? Or waiting rooms that house every single issue of Woman's Day from May 1957 to July 1963 and nothing else? Just a thought.

Kathy Gartshore's letter, February 26, makes sense to me. Last summer I spent a couple of hours during each of Minden's ATV races walking and talking to residents whose properties border on the track area. Two insisted the races should stop. The rest had various reasons for basically an identical response - let the races continue.

Vaseys hold top spot

Vasey's Real Estate held on to first place in the Minden Men's Recreational Hockey League playoffs despite a 10-3 loss to Hartwick and four teams found themselves in a tie for second place following action at Minden arena Monday night.

The Times, which captured the regular season championship, was knocked out of contention as they suffered their third loss of the series. Home Hardware picked up their second win of the playoffs winning 6-3 over The Times.

In the third game of the evening, Hall's Insurance scored a surprising 5-4 win over the Rockcliffe Foamblowers.

With only one game remaining in the round robin playoffs, Vasey's occupies top spot with a 3-1 win/loss record.

Home, Hartwick, Halls and the 'Blowers share second place with a two and two record.

The Times is in the cellar with a 1-2 win/loss record.

After playing a scoreless opening period in the first game played on Monday, Home Hardware notched four markers in the second frame to gain a 4-1 lead then as the teams traded goals in the final period went on to double The Times 6-3.

Larry Sawyer led the scoring attack for Home, picking up a hat trick and adding an assist. Dean Hewitt assisted on five of his team's six goals. Doug Rae with two goals and an assist and Royce Miller with a goal and an assist rounded out the scoring. Mike Jackson and John Dettman picked up single assists. Bill Dennison was the winning goal.

Kim Colliss, Sid MacKeigan and Barry Shaw

contributed a goal and an assist each for The Times. Defenceman Denis Brule and Ted Vasey picked up single assists. Terry Crowe guarded the twine for The Times.

In the second contest of the evening, Hall's jumped to an early two goal lead then matched the 'Blowers goal for goal to earn the narrow 5-4 win. The outcome wasn't decided until the 2:10 mark of the final frame when Hall's broke the 4-4 deadlock.

John Barkwell led the way for Hall's with a hat trick including one unassisted marker and an assist. Andy Campbell and Lawrence Loughheed added a goal and an assist each to complete the scoring. Single assists went to Ben Manuge and John McAdam.

Netminder Rob Crowe picked up his second win of the series for Hall's.

Dave Pettes was the top scorer for the 'Blowers, notching two markers and adding an assist. Colin Wilson with a goal and an assist and Merv Mintz with a single tally rounded out the scoring. Assists went to Bart Hilhorst with a pair, and Casey Cox with a single. Larry Kent played between the pipes for the 'Blowers.

The final game of the evening gave credence to the league player's adage that the playoffs are a whole new ballgame.

Hartwick, who remained in the cellar for most of the season, romped to a 10-3 win over Vasey's who were at the top of the standings throughout the season and were previously undefeated in the playoffs. Hartwick held a narrow 3-1 lead at the end of the opening period, added three goals in the second and four more in the final frame to earn an easy

10-3 victory.

Greg Carpenter led the Hartwick attack scoring four goals and adding an assist. Joe Mitchell wracked up a hat trick and assisted on two markers.

Leigh Bull with two unassisted markers and Steve Crowe with a single unassisted tally rounded out the scoring. They each added an assist. Assists also went to Peter Pearson and Rick Salmon with a pair

each and Goalie Doug Pearson contributed to the team attack with a single assist.

Dave Dollo, Barry Walker and Brian Shaw were the goalscorers for Vasey's. Dan Reid was credited with an assist. Ross Lindsay played in nets for Vasey's.

The final three games of the round robin playoffs will be held at Minden arena on Monday, March 10.

Juveniles face tough sledding in semi's

The Minden Monarch Juveniles faced their biggest challenge of the season over the weekend as they began their Ontario semi-final series against Godfrey.

On Saturday in Godfrey, the Monarchs picked up a single point in a 7-7 tie then added two more, defeating the visitors 3-2 on Sunday at Minden arena.

The Monarchs found themselves up against a much improved Godfrey team in the first game of the series. The two teams met in the semi-finals last season and the Monarchs lost only one game of the series on their way to the Ontario championship.

Godfrey had three fast skating lines to choose from and used their speed to great advantage, but the Monarchs were able to match them goal for goal.

The teams played scoreless hockey Saturday until the 3:05 mark of the first period when the host club went ahead by one. A minute later, Doug Schell scored the equalizer on a pass from Dennis McKee and Jeff Howe.

Then, with only 52 seconds remaining in the opening frame, Bernie Upton put the Monarchs up by one after taking a pass from Barry Boice and Scot Hamilton.

Godfrey tied the score after a minute and a half of play in the second frame then went ahead 3-2 a minute later.

At the 12:02 mark, Barry Boice notched a power play goal to tie the score at three all. Scot Hamilton assisted on the play.

Four goals were scored in the last four and a half minutes of play in the middle frame. Godfrey went ahead 5-3 before Lennie Johnston narrowed the lead on a pass from Doug Schell then the host club notched their sixth goal with 1:09 remaining.

While goalie Vince Duchene and the Monarch defence held off the Godfrey attack in the third period, Greg Newell narrowed the gap to one after taking a pass from Boomer Stamp and Bernie Upton. With only 12 seconds remaining in the game, Jeff Howe scored a picture perfect goal with help from Boomer to send the game into overtime.

Goalie Vince Duchene continued his outstanding play in the overtime period controlling the puck and moving it out of his net to cut down the angle on the long drives from the blueline.

However, just two minutes into the period, Godfrey went ahead 7-6. Undaunted, the Monarchs pressed the attack and with 12 seconds remaining on the clock, Barry Boice picked up his second goal of the game on a pass from Bernie Upton to tie the match 7-7.

The contest was a hard-hitting match, but the officials only handed out nine minor penalties to each team.

Hard hitting

The Monarchs knew they had to play aggressively to slow down the fast skating Godfrey forwards, so they began hitting from the opening face off in Sunday's game before a crowd of 220 fans at Minden arena. The tactic paid off as they jumped to an early lead when Doug Schell scored after 35 seconds of play on a pass from captain Jeff Howe.

With six minutes remaining in the period, defenceman Greg Newell carried the puck into the Godfrey end and fought off an opposing defenceman and fed a pass to Barry Boice. The Godfrey netminder blocked Barry's shot but Scot Hamilton knocked in the rebound to give the Monarchs a two goal lead. The fast paced

Players swirl around the Godfrey net during third period action in the second game of the Ontario Juvenile "DD" semi-finals in Minden on Sunday. The Monarchs edged out the visitors 3-2 in an exciting, hard-hitting match to take a three point lead in the series.

action continued through the first frame with neither team able to score.

At the 14:43 mark of the second period, Scot Hamilton notched his second tally of the game taking a pass from Boomer Stamp and Bernie Upton to give the home team a 3-0 lead. The Monarchs held on to the three goal advantage until Godfrey found the mark at 12:26 of the third frame.

Goalie Kevin Smith put on a sterling performance throughout the game and was called on to make some key saves in the dying minutes. With 4:58 remaining the Monarchs found themselves two men short but were able to kill the penalty. Godfrey continued to press however, and, as their goalie skated to the bench in favour of an extra attacker with 27

seconds left, to narrow the Minden lead to a single goal.

As the clock ran out the Monarchs controlled the play in the Godfrey end and hung on to clinch the narrow 3-2 win and take a two point lead in the series.

Referee Ken Griffen handed out 7 minor penalties to the Monarchs and five minors to Godfrey.

The third game in the series will be played in Godfrey at 6 p.m. on Saturday, March 8. A spectators bus will be leaving Minden arena at 12:30 p.m.

The fourth game in the series will be held at Minden arena on Sunday, March 9

at 4 p.m.

Travelling kings

The Monarchs have just received confirmation that they will be taking part in an invitational tournament in New Hampshire on the

weekend of April 4,5 and 6.

The Monarchs will be competing against seven other Junior C teams in the third annual Liberty Trophy Spring Invitational in Nashua.

Huskies grab two game lead

The Bantam Huskies have won their first two games in the best of five All-Ontario quarter finals against Stroud.

Last Friday night, the Huskies hosted Stroud in the first game of the series and won 12-4.

Both teams came out in the first period displaying a very rugged style of hockey. Baggage smashers were the order of the day as the teams tested the mettle of each other with some fine, heavy hits.

Haliburton found itself down 3-1 after 9 minutes of play but the heavy artillery had softened up the Stroud team to the point where the Bantam shippers scored 5 goals in a row to take the lead and the score was 6-3 at the end of two periods.

The third period belonged to the Huskies as they scored 5 goals to Stroud's one.

Gavin McKnight was the winning goaltender. The goal scorers were: Erin Nicholls, 1 goal and 7 assists, Ted Paish 3 goals, 2 assists, Jaro Cooper 1 goal 2 assists, Ron Perrin 1 goal, Scott Russell, 2 goals, Drew Mitchell 1 goal, Scott Nesbitt 1 goal 1 assist, Jeff Warburton 1 goal 1 assist, Darren Byers 3 assists.

On Sunday the Huskies travelled to Stroud and although the hitting was not too severe, the roughing was very evident. Haliburton received 34 minutes in penalties to 18 minutes for Stroud.

Stroud led 1-0 after one period of play and 2-1 after two periods. The Bantams had difficulty shaking off the after-effects of their Mac attacks, but the Haliburton pride surfaced in the third period as they scored four goals in a row to take a 5-2 lead at 7:28. The time-keeper must have been lonesome as the referee put 8 Husky players in the penalty box in the last 5 minutes of the game.

During this time, Stroud notched 2 goals to make the score 5-4. Stroud then pulled their goalie to try and tie the game but Erin Nicholls put the game out of reach with an ice-length goal into the empty net with eight seconds remaining on the clock.

Final score - Haliburton 6 Stroud 4.

Goal scorers for Haliburton were Erin Nicholls 4 goals, Scott Russell 1 goal, Drew Mitchell 1 goal, Scott Nesbitt 2 assists, Jaro Cooper 2 assists and Ted Paish 1 assist. Gavin McKnight was the winning

goaltender.

The Huskies played the third game of the series in Stroud on Tuesday night. The details of the game were not available before press time.

If a fourth game is necessary, it will be at the Dysart Arena on Thursday, March 6 at 8:00 p.m.

Congratulations to the PeeWees, Novice and the Midgets from the Bantams on their impressive wins. It takes more than a team effort to win. The support of fans from Haliburton and Minden is greatly appreciated and is a key factor in all games.

Midgets lead playoffs 2-0

The Haliburton Midget Huskies have taken a 2-0 lead over Lakefield in their best of five all-Ontario Quarter finals with two wins during the last week.

In the first game at home last Wednesday, Andrew Burk came up with some big saves in the Huskies' net as Lakefield came out flying. Halfway through the game, the locals took fire and scored four unanswered goals by Scott Russell, Ted Paish, Tran LaRue and Ian Cooper to take a 4-0 lead.

The visitors scored one in the second to cut the lead to 3 goals, but Erin Nicholls got that one back in the third to make the final score 5-1 for the Huskies.

The Midgets travelled to Lakefield on Sunday night and with their squad reduced to nine skaters, came up with an excellent defensive effort led by Scott Burke in the nets. Scott made some sensational saves as the Lakefield squad came out to even up the series.

Lakefield scored first at the 11:30 mark of the first period and again at 6:10 of the second. Finally at the 9 minute mark, Jeff Popple broke the ice for the Huskies to make the score 2-1 for Lakefield after two.

At the two minute mark of the third, Corey

McKnight tied the score assisted by Popple and Tom MacLeod. With four minutes remaining, Tran LaRue slammed home the winner on a pass from Paul Kuno. Final score 3-2 for the Huskies.

The locals will be out to finish the series this Friday night in Lakefield at 8:00 p.m. and would appreciate any fan support they might get.

If a fourth game is necessary, it will be in Haliburton on Sunday, February 9 at 8:00 p.m.

Skaters place second at Interclub

The Minden Figure Skating Club participated in the Kawartha Highlands Interclub held in Haliburton on Sunday, March 2.

The Minden club was 2 points short of bringing home the club trophy. Haliburton Figure Skating club seized a top spot.

The following competitors represented the Minden club: Janene Garbutt, Nadine Balcombe, Lori Barkwell, Lisa Ranson, Jaime Kent, Nicki Dollo, Tammy Cox, Shawn Steele, Simon Reid, Joanne Kerr, Abby Burk, Dianne Garbutt, Tammy Pritchard, Jenni Gentle, Sara Lee Henderson, Lisa Carr, Misti Campbell, Janna Obee and Christa Irwin.

These Minden skaters placed in the following categories:

CanSkate 'A' Ladies: Jaime Kent 3rd.

CanSkate 'A' Mens: Simon Reid, 2nd.

CanSkate 'B' Mens: Shawn Steele, 2nd.

Canfigureskate Ladies: Meaghan Obee 3rd.

Pre-preliminary: Cori Barkwell 1st, Janene Garbutt 2nd.

Pre-Juveniles Ladies: Dianne Garbutt 1st, Janna Obee 3rd.

Juvenile Ladies: Jenni Gentle 3rd.

Pre-Novice: Lisa Carr 1st.

Junior Bronze Similar Dance: Joanne Kerr, Janna Obee 3rd.

Senior Bronze Similar Dance: Dianne Garbutt, Misti Campbell 1st.

Preliminary Interpretation: Jenni Gentle 1st, Sara Lee Henderson 2nd.

A great deal of the skaters' success is due to the club's pros, Jayne Symons, Shelly Markle, Gaye Tenant and Lisa Ross.

Senior skaters with their trophies and medallions include: Lisa Carr, Joanne Kerr, Sara Lee Henderson, Abby Burk, Tammy Pritchard, Janna Obee, Dianne Garbutt, Jenni Gentle, and Christa Irwin. Absent was Misti Campbell.

Junior members of Minden Figure Skating Club who took part at Interclub in Haliburton included: Janene Garbutt, Jaime Kent, Nadine Balcombe, Lisa Ranson, Cori Barkwell, Nicki Dollo, Meaghan Obee, Andrea Pawluch, Shawn Steele and Simon Reid.

HHSS team wins COSSA V-ball crown

The Haliburton Highlands Secondary School Junior Girls Volleyball team captured the Central Ontario Secondary Schools Association championship after defeating the reigning champs two games to one on Tuesday, February 8. Playing on the Courtice home court, the Haliburton squad won the first of three games 15-3, lost the second game 15-8 then rebounded to clinch the final game 15-11. The Junior team also won the Kawartha Championship on February 17 to qualify for the COSSA finals. Team members include, from the left, front row: Kim McCracken, Melissa Creelman, Jodi McKnight, Corry Ziorjen and Helga Myers. Back row: Coach Laura Aymong, Lindsey Tashlin, Mezz Medcalf, Terri Legge, Lesley Tashlin and Rhonda Walsh. Marsha Burke was absent for the team photograph.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE (File 15-85)

IN THE MATTER OF the Municipal Act; and
IN THE MATTER OF a proposed By-law of
the Corporation of the Townships of Anson,
Hindon and Minden to stop up, close and
convey to the adjoining landowners portions
of the original allowance for road along the
shore of Mountain Lake lying in front of Lot 5,
Concession 8, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to
Section 301 (1) (a) of the Municipal Act, R.S.O.
1980, as amended, that the Council of the
Corporation of the Townships of Anson,
Hindon and Minden proposes to consider and,
if deemed advisable, to pass at its regular
meeting to be held in the Municipal Council
Chambers on Milne Street, Minden, Ontario,
on Tuesday, March 11, 1986, at the hour 10:00
a.m., a By-law to stop up, close and convey
those parcels of land more particularly
described as follows:

Parts of the original allowance for road along
the shore of Mountain Lake in front of Lot 5,
Concession 8, in the Township of Minden, in
the County of Haliburton, designated as Parts
1 and 2 on a plan of survey deposited in the
Registry Office for the Registry Division of
Haliburton as Number 19R-3464. A copy of
the plan of survey is available for examination
at the Municipal Offices during regular
office hours.

AND FURTHER TAKE NOTICE that before
passing the said By-law at the meeting to be
held at the time and place above-mentioned,
the Council shall then and there hear in person
or by his or her counsel, solicitor or agent, any
person who claims that his or her land will be
prejudicially affected by the said By-law and
who applies to be heard.

DATED at the Township of Minden this 3rd
day of February, 1986.

(Ms.) B.A. Millar, A.M.C.T. (A).
Clerk-Treasurer
P.O. Box 98,

Mr. and Mrs. Henry Howe of Minden were honoured by their friends and family on Thursday as they marked their sixty-fourth wedding anniversary. The couple married in 1922 in Haliburton United Church and the service was conducted by the Rev. Belnap. After living in Donald, West Guilford and Maple Lake, the couple moved to Minden and currently reside at Staanworth Court where the anniversary celebration was held.

Disease attacks the elderly

by Donna Bailey

The following is an item that was published in our autumn 1985 newsletter but I feel it warrants a repeat. It is on a subject with which many of you may have a close involvement - Alzheimer's Disease.

Alzheimer's Disease is a devastating disorder that destroys vital brain cells. The disease most commonly occurs in people over 65 years of age although it can strike anyone over 40 years of age.

At first you may experience only minor and almost imperceptible symptoms that are often attributed to emotional upsets or other physical illnesses. Gradually, you may become more forgetful, particularly about recent events. As the disease progresses, memory loss increases and other changes in personality, mood and behaviour such as confusion, irritability, restlessness and agitation are likely to appear. Judgement, concentration, orientation and speech may also be affected.

The disease can eventually render its victims totally incapable of caring for themselves. Limitations in physical activity during the later stages can leave you with less resistance to pneumonia and other physical illnesses that may shorten your remaining life expectancy by as much as one half.

Although Alzheimer's Disease sufferers may deny or be unaware of the full extent of his or her limitations - especially later in the course of the illness - the inexplicable changes in essential functions are a source of deep frustration for those afflicted and for their loved ones.

Before a diagnosis of Alzheimer's Disease is made, other illnesses which may cause memory loss

must be excluded. The condition must be differentiated from the mild and occasional forgetfulness that sometimes occurs during normal aging. Each person suspected of having Alzheimer's Disease should have thorough physical, neurological and psychiatric evaluations.

Physicians don't know how to prevent or cure Alzheimer's. However, proper medical care can reduce many of its symptoms. And sound guidance can assist the victim and his family in coping with the significant impact this debilitating disease has on their lives.

If you know of someone experiencing the symptoms of memory loss, changes in personality or impaired judgement, recommend they see a physician.

Caring for someone with

Alzheimer's Disease is an enormous drain on a family's physical, emotional, social and financial resources. If you know of someone caring for an Alzheimer victim who needs assistance or information, suggest they contact their local society of the Alzheimer Society National Office, 185 Bloor Street E., Suite 222, Toronto, Ontario M4W 3J3. The Peterborough office is located at 378 Aylmer Street. Phone number is 748-5131.

Most importantly, join and support the growing numbers of Canadian families and health care professionals working toward solving the mystery of this dread disease.

(Condensed from an article in Today's Health by David Rockman, President of the Alzheimer Society of Montreal.)

WEIGHT WATCHERS 10 WEEK COMMUNITY WORKSHOP

Special Meeting
Being Formed For
—MINDEN—

St. Paul's Church Hall
North Water Street
THURSDAYS at 7:00 p.m.

Now you can enjoy all the benefits of our amazing Quick Start program right in your own town.

CHACE expansion begins

CHACE is expanding! There is a new resource centre opening in the Minden Community Centre in April. Rozanne Hynard and Helen Robertson will be the staff.

Also the Private Home Daycare Agency is under way. Nancy Roxborough is hard at work on the initial setup and she will be joined by Faith Stephenson in April. There will be more information on these developments very soon.

On Thursday, March 6, Glenis Gater will be holding one more session on how to make the most of your small home or business income tax situation. Judging by the useful information she was able to provide to those who came to the last session, it would be a wise idea to come and discuss your tax particulars. There are probably deductions for which you qualify that are known only to someone who reads all the available information on small business tax. The time of Glenis Gater's talk will be

1:30 at CHACE Place.

It's election time for the CHACE Board of Directors. Five members have finished their two year term. The departing board members are Diane Hagerman, Marion Harris, Anita Dillon, Glenis Gater (who finished Lyn Duncombe's term) and Pat Martin. Heartfelt thanks for the talent and many hours that you have contributed.

The nominating committee is gathering names of members who will stand for election. There will be information on the candidates available at CHACE Place. Voting will take place during regular hours for the first week of April and during the CHACE birthday party and membership tea on Sunday, April 6 between 2 and 3 p.m. The results of the election will be announced at the general meeting immediately following the membership tea. All members and users are eligible to vote. Let's have a good turnout.

There are many special events happening this month. See our ad in the coming events section of the classifieds. Please take note of the special March Break programming and the Third Annual Pancake Breakfast and Bake Sale.

Lastly, we are in the phonebook at the top of the C's because CHACE really stands for County of Haliburton Agency for Child Enrichment.

THE PLANNING ACT 1983

NOTICE OF THE PASSING OF A ZONING BY-LAW BY THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

TAKE NOTICE that the Council of the Corporation of the Townships of Anson, Hindon and Minden passed By-Law No. 86-26 on the 25th day of February, 1986 pursuant to Section 34 of the Planning Act, 1983.

AND TAKE FURTHER NOTICE that any person or agency may appeal to the Ontario Municipal Board in respect of the By-Law by filing with the Clerk of the Corporation of the Townships of Anson, Hindon and Minden not later than **Tuesday, April 1st, 1986**, a notice of appeal setting out the objection to the By-Law and the reasons in support of the objection.

AN EXPLANATION of the purpose and effect of the By-Law is attached hereto. By-Law No. 86-26 is comprehensive zoning by-law which applies to all lands within the Townships of Anson, Hindon and Minden. The Complete By-law is available for inspection in the Municipal Offices during regular office hours. Anyone wishing to obtain a copy of this by-law may do so **free of charge** by writing to, telephoning or attending at the Municipal Offices during regular office hours.

DATED at the Township of Minden this 26th day of February, 1986.
Mrs. B.A. Millar, A.M.C.T. (A),
Clerk-Treasurer,
P.O. Box 98, Milne Street,
MINDEN, Ontario KOM 2K0
(705) 286-1260.

EXPLANATORY NOTE TO BY-LAW NO. 86-26

By-law No. 86-26 is a comprehensive zoning by-law enacted pursuant to the provisions of Section 34 of the Planning Act, S.O. 1983, C. 1, as amended. This by-law serves to implement the land use policies as expressed in the Official Plan by regulating the use of lands and the character, location and use of buildings and structures within the municipality. To this end, By-Law No. 86-26 establishes various provisions relating to such matters as minimum lot area and frontage requirements, minimum yard and setback requirements, lot coverage restrictions, minimum dwelling unit area requirements as well as other regulatory provisions deemed necessary and reasonable to regulate the use of lands for the permitted residential and non-residential uses in accordance with current standards and regulations. By-law No. 86-26 serves to limit, prohibit and/or regulate the use of lands throughout the entire municipality in a manner which Council considers will provide for the future orderly development of this municipality.

Upon approval, By-law No. 86-26 will repeal previous Restricted Area By-law No. 14-67, as amended.

around the county town

by Jeanne Sears. Call 286-1538

There was a good crowd at the Recreational Centre last Tuesday evening for the second annual Chicken Bingo by the Rotary Club with everyone enjoying themselves. Special prizes of hats, money and other goodies were numerous. The draw from the stub gave further gifts and everyone had a bag of chips. One lady took home "Winner take all" prize of \$82 - that lady was Cathy Garber. A giant panda puppet was won by Ruth Alton and Jean Scott waited for the last game to have her win. There were several winners on Nevada tickets. Rotarians should be very pleased at the good turn out and their great efforts were not in vain. Next bingo night on March 25 will be a Tropical Night - see you then.

The Minden Agricultural Society will meet March 12 at the council chambers at 7:30 p.m.

Winners at the euchre games at St. Paul's Anglican Church last Thursday were lone hands, on a cut, Flo Dollo. Others Irene Houghton, Pearl Cowen, Joyce Hewitt (man's) and Joe Dollo.

Today, Monday March 3, is Women's World Day and we should all join in saying 'no' to racism.

Minden Nursery Play are sponsoring Public Skating at the arena on March 11 from 1-3 p.m. during March break.

We were thankful to receive the list of coming events from the Chamber of Commerce. This Wednesday there will be CHACE Films for kids and Moms. March 8 will be a great day as there will be a Snowmobile Balloon Run, cross-country skiing and hiking event with prizes of \$2000 from 9 a.m. to 3 p.m. All sponsored by the Scenic Highway 35 Association. For more information call 489-2330 or 286-1738.

The Agnes Jamieson Gallery is featuring a show "With Art in Mind" from March 10-22 and call 286-3763 for information.

There was mention made some time ago that the 1984 bicentennial project of Federated Women's Institutes of Ontario was hanging on quilt blocks. At one point this was hung in the entrance to the Public Gallery on the 3rd floor. Now this entrance is on the 4th floor so this area is not included in a tour. Lincoln Alexander admired the wall hanging and it is now hanging in his suite. This means you must make arrangements to see

this by appointment. Incidentally, the Victoria and Haliburton blocks are quite prominent.

The ACW Thrift Shop at the old laundromat will open this week from 1:30 to 4 p.m. on Friday and Saturday.

Winners at Club 35 Monday evening card party this week were - High lady - Hazel Gregory, high man - Ken Thompson and the door prize went to Molly McCarthy. The other winners included Helen Davis, Lodi Mestroni and Art Beattie. However, the surprise winner of the evening was that well-known bon-vivant and terrible card player, Alex Stevenson! Congratulations Alex, don't spend all your winnings at once!

After last week's budget we surely will believe this old saying "Let us never forget that the government makes its money the old fashioned way - they tax us for it!"

There may be another mail strike, that is really sad for the many people who have no job and these people are not content with their fine wages. Seems very queer, a postcard from the southern US states can arrive in 5 days and a Canadian letter takes 7.

Sincere sympathy goes to

the families and friends of the late Frances Smith and Mrs. Gladys Lester who passed away since last week.

It is a good time now to plan your garden and to give you a lift from those winter 'blahs.' I have a spot where I plant my sweet peas very early and this year with Easter being early, they'll probably go in the week after Good Friday. My plants grow quickly and flowered until the first heavy snow fall last year.

Hint of the week. For a different touch to your layer cake, save a bit of icing, add some colour or a bit of cocoa

and spread it in streaks.

The World Day of Prayer will be held March 7 at 2 p.m. at Hyland Crest Auditorium.

We note that Jerry's Barber Shop has moved to the corner where Jimmy Smith was located when I first came here umpteen years ago!

Visiting with Cliff and Jean Lacey was their son Cliff and his sons Darren and Derek from Orangeville. The boys' mother was with the Ontario Gymnastics team in Calgary.

Burdens

I have just had a drive up from Minden.
'Tis a clear and starry night.
Heavy fog rises up from the river,
The moon is serene and bright.
On the clear air cold and frosty
The merry sleigh bells chime
I wish that all could be happy
In the joyous Christmas time.
But looking over this wide world, we find some in despair
Some lonely and melancholy, some weary with toil and care.
Each day their heavy burden seems heavier still to grow,
Till they wish they could bury it with them down deep in the drifting snow.
They see some others happy and wish they were happy too,
But they plod on with weary footsteps, saying what else can we do?
Let us help these weary travellers
If it be in our power,
Let not one cross our pathway but we gladden for them one hour.
Let us look upon the bright side, as through this world we rove,
If we can not all have happiness, we surely can have love.
Let us show ourselves all friendly and friends we're sure to call,
And true friendship I can safely say, is the warmest gift of all.

Written in 1898 by my mother Cora E. Rogers who was then 19 years old. Florence M. Robinson.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun!

Q: What stands on one leg with its heart in its head?

A: A cabbage.

Q: How many sides does a circle have?

A: Two. Inside and outside.

Q: What word is always pronounced wrong?

A: Wrong.

Q: When is a sailor not himself?

A: When he is aboard.

Q: What has a tongue but can't speak?

A: A wagon.

Vic Martin is home after surgery in a Peterborough hospital and we are happy to report he is feeling much better.

On Saturday March 15 at 7:30 p.m. Minden United, St. Paul's Anglican, Our Lady of Fatima Roman Catholic and Minden Gospel churches are co-hosting an event entitled

"God News" an evening of praise and worship at St. Paul's Parish hall. Musical groups from each of the churches will provide an

evening of scriptural readings and songs celebrating the Church's season of Lent. Everyone is invited to join in this special evening. Refreshments will follow the concert.

"WHERE THE ACTION IS"

senior league

by Pearl Lyle

Dear Readers:

It looks like March came in like a lamb, surely we all know what that means!

Please do not forget the World Day of Prayer to be held at Hyland Crest, March 7 at two in the afternoon.

We extend our sincere sympathy to the family and friends of Mrs. Kathryn Daniel who passed away recently.

We would like Harry Cowan and Dick Kirkwood to know that we appreciate their kindness and thank them very much for taking six of the folks from here to Haliburton to see the play "Once upon a Mattress," they reported that it was very enjoyable and very well acted by all participants. They sure deserved the standing ovation given them.

There were movies Tuesday afternoon in the auditorium. They were "Rumble Wheels Jungle" and "A Heron named Bill" also a short picture of Hyland Crest and some of the residents.

The Tuesday morning service in the chapel was conducted by the Rev. Smith of Haliburton Baptist Church.

Centre receives award

The Leslie M. Frost Natural Resources Centre recently received the Robin Dennis Award from the Council of Outdoor Educators of Ontario (COEO). This award is given to any program or individual who has made an outstanding contribution in the field of Outdoor Education.

Approximately 10,000 school students visit the Frost Centre annually to participate in outdoor educational programs designed to foster a public understanding of natural resources, their management and use. Numerous conferences and workshops for educators have been held at the Frost Centre over the past ten years. COEO commended former director George Hamilton for his commitment and hard work.

The award was officially presented to Vince Kerrio, Minister of Natural Resources and Don White, Director of the Frost Centre by Ann Goin of the Island Outdoor Natural Science School (Robin Dennis was the founder of the Island School) and Jan Stewart, past president of the Council of Outdoor Educators of Ontario.

We wish to congratulate Neil Walker on his having obtained a responsible position in a large hospital in Saskatoon. He was in Hyland Crest Sunday to say "hello" to a lot of folks here whom he has known for a long time. We say, Good Luck Neil.

On Thursday afternoon the ladies from Lutterworth Pines came with a delightful lunch and a huge birthday

cake for those who had birthdays in February. They were Margaret Gainforth, Ellen Knight, Helen Brown, Ruby Lewis, Marjorie Shuyler and Christine Precoor. A pleasant time was had by all.

We are glad to see Lily Hogg back again after eye treatment in St. Joseph's Hospital in Peterborough. It is with regret that we report Annie Cox and Mrs. Eastman on the sick list and hope they will soon be well again.

You will be glad to hear your regular reporter will be back next week after her holidays. 'Till next week.

Summer skills sharpening

by Suzanne Hyoway

There are over 125 ways to sharpen your skills in the summer of '86.

Twenty-six Ontario government ministries and a number of organizations supported by government funding have a variety of skills training jobs available.

There are two things to remember about this program. First, get your hands on the Experience '86 brochure; it lists all the openings and describes them in detail, who's hiring, how many and where. The idea is

to match your interests with their openings. Second, get your application in fast. (There are always more waiting to fill the jobs than there are jobs to fill.)

Brochures and applications can be obtained at your Haliburton County Information Centre located in the Drag River building in Haliburton.

You are eligible for Summer Experience '86 positions if you are: a student; eligible to work in Canada; between 15 and 24 years of age. Application

deadlines are April 9, 1986 for post-secondary students and April 23, 1986 for secondary students.

Why not drop in to our office or give us a call at 457-2733 weekdays, from 10

a.m. to 4 p.m.? As us about the Student Venture Capital Program which offers interest free loans of up to \$2000, for students 15 or over who are returning to school next year, and who would like to run their own business during the summer.

ANNOUNCING A CANADA SAVINGS BOND RATE INCREASE.

Effective March 1, 1986,

the rate of return on the last four series of Canada Savings Bonds (S 37 issued November 1982, S 38 issued November 1983, S 39 issued November 1984, and S 40 issued November 1985) has been increased to

10%

per annum

for the 4-month period ending June 30, 1986.
All other terms of these series remain unchanged.

Both Regular Interest Bonds and Compound Interest Bonds of these four series earn the new rate of return.

As a result, on November 1, 1986 each \$1,000 Regular Interest Bond will now pay \$90.00 interest. The increased value for a \$1,000 Compound Interest Bond will be as follows:

\$1,489.43 for Series 37 issued in 1982
\$1,329.85 for Series 38 issued in 1983
\$1,212.63 for Series 39 issued in 1984
\$1,090.00 for Series 40 issued in 1985

ALL OTHER OUTSTANDING SERIES

All other outstanding unmatured series remain unchanged. Bonds of these series continue to earn interest at the rate of 10½% per annum. This rate of 10½% is also the minimum rate for subsequent years to maturity.

Branch 129 news

by Gerald Irish

The judges of the competition for a name for our Bluegrass Mascot and a Motto for this festival had a rough time reaching their final decision.

There were over 50 entries in each category.

Our Bluegrass Mascot will be called Sam Slick, the name submitted by Jim Ellis of Haliburton. Jim will receive a cheque from your Legion for \$50.00. Runner-up in the naming category was Mike Shkimba, who will receive a one day pass to the Bluegrass Festival.

Judging the motto for Bluegrass was very difficult and the judges came up with two winners. Congratulations to Jane Selbie with her slogan of "Reflections in Song, Haliburton Bluegrass Echoes, Where no one stays a stranger" and to Debbie Bates for her entry of "Haliburton...Land of Blue Skies...Blue Waters...and Bluegrass! These ladies will receive weekend passes to the Bluegrass Festival. Runner up in this category was Dennis Byers with his suggestion of Sam Slick Bluegrass Festival and Dennis will receive a day pass to this event.

While we are on the subject of Bluegrass, do you have your tickets to the Mac Wiseman and Whisky Jack concert? This one night show will be at your legion on March 22. Tickets are going rapidly and they are

only \$7 advance and \$8 at the door. The way they are going now, you might not be able to get any at the door. Buy yours now and don't be disappointed.

Still on the Bluegrass theme, this Saturday evening at your Legion you may meet the Bluegrass Chairmen at a Wine & Cheese party from 7 p.m. until 8 p.m.

Lori Bonfield of Country Pickings came up with a great idea for all the merchants of Haliburton Village during Bluegrass

Weekend. Why not have a Legion Bluegrass Sidewalk Sale and advertise it as such. It will benefit everyone involved. By the way, thanks to all the merchants who have expressed interest and support for this great Haliburton festival.

Ed and Billie Pickard played at the Legion on Saturday night and entertained the assembled crowd royally. This popular couple have their own following and always provide a very high calibre of entertainment.

Our Colour Party received a singular honour on Sunday when they were requested to be the colour party representing the whole

zone at the Zone Convention at Beaverton. This group of colour bearers, under the direction of Sergeant at Arms Jim Hobson, have always done an excellent job for your legion and are most deserving of this honour.

The hearts, love and prayers of all Legion friends of Robert Clough go out to him at this time on the loss of his dear wife and our valued friend, Isabelle.

Thank you once again to our Ladies Auxiliary for their very generous donation of \$200 to help sponsor Cadets in Haliburton County. The ladies are always supportive of Legion ventures.

mindspeak is offering a Nutrition Profile service

Ranging from weekly food intake (\$5) to recipes (\$1).

Driver fined, sentenced

A Haliburton man was fined \$2,850 and sentenced to 14 days in jail after being found guilty on a number of charges in Minden Provincial Court last Wednesday, February 26.

Philip Edward Finlay, 47, of Haliburton received the punishment after being convicted of impaired driving and 7 separate offences, including driving without insurance, driving while his licence was under suspension and failing to appear in court, among others.

Driver injured

A Bowmanville man was taken to hospital in Huntsville following an ATV accident early March 2 near Dorset. According to the police, 25 year old Patrick Reynolds had just left a taven when he drove his machine across County Road Eight and into the ditch on the opposite side. The man was thrown from the machine.

Constable Brad Burkholder was the investigating officer.

BIRTHS

COLE Randy and Sandy are pleased to announce the arrival of their son **Ryan Charles Ernest** on February 24, 1986. Weighing 9lbs 2 oz at York County Hospital in Newmarket. A brother for Trevor and grandson for Bill and Jean Cole of River Drive Park and Charles and Mary Roberts of Minden.

BIRTHS

Special thanks to Doctors Hirsch and Lodenquai, Mr. and Mrs. Malcolm Greenwood and Mr. and Mrs. Doug Reihwald.

MINTO Ian and Mary are pleased to announce the safe arrival of Jennifer's new brother **Richard James Marshal** born February 17, 1986 weighing 7lbs 3 ozs at Peterborough Civic Hospital. We would like to thank Dr. D. Norrie and staff at Peterborough Civic hospital and Dr. J. Lodenquai and staff at Minden Medical Centre. Proud grandparents are Oswald and Maxine Snell.

CARD OF THANKS

The family of the late Ron Fennell wish to thank their friends and relatives for the cards, flowers, and memorial donations received and the many acts of kindness offered to us at the time of our great loss. The outpouring of sympathy and love from Ron's host of friends meant a great deal to us. We especially thank those who provided accommodations so willingly and who helped us in so many ways. We are grateful to Rev. Jim Bushell and Rev. Clyde Westhaver who so eloquently shared with others the real measure of one who meant so much to us. We are also grateful to Dr. Lodenquai, the staff of the Minden Hospital and the doctors and OPP of Sutton West and especially Rob Luke and Richard Balas of the Minden Ambulance Service for their heroic efforts. Words cannot express our gratitude to the Gordon Monk Family. The love and concern of so many will never be forgotten.

The Fennells,
Joan, Mark, David & Sharon.
